Examiner Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In line 6 of claim 1 "loops" has been changed to --supports--

In line 1 of claims 26 and 27 "2" has been changed to --1--.

Claim 7 has been cancelled.

The change to claim 1 gives proper antecedent basis for the later claims "loops of elastic" set forth in line 8 and is consistent with the language of old claim 7. The changes to claims 26 and 27 make the claims depend from a non cancelled claim, since claim 2 was previously cancelled. See also page 5 of the 10/25/2007 which states that these claims should depend from claim 1. In addition on page 5 of the last filed amendment it was stated that claim 7 has been cancelled since it has been incorporated into claim 1, yet the amendment of 10/25/2007 did not in fact cancel the claim. Since claim 7 has been incorporated into claim 1 and was apparently meant to be cancelled the examiner has done so above.
